02-Feb-19	Statement Date	Total Amount Due : ₹ 16, 431.84 | Minimum Amount Due : ₹ 956.63

Interest Calculation

Amount (₹)	Period	Number of Days	Interest (₹)
₹ 6,000	12 Dec 2018 - 21 Jan 2019	41	₹ 322.70
₹ 4,000	26 Dec 2018 - 21 Jan 2019	27	₹ 141.67
₹ 4,000	10 Jan 2019 - 02 Feb 2019	24	₹ 125.93
₹ 2,000	15 Jan 2019 - 02 Feb 2019	19	₹ 49.85
₹ 9,500(Remaining balance after adjusting payment of ₹ 1,088.82)	22 jan 2019 - 02 Feb 2019	12	₹ 149.54

Interest on the Amount Due will be charged as below:
Daily Interest = Outstanding Amount* (3.99%*12 months)/365.
*Total Due includes outstanding amount, new purchase, interest charges (interest calculation illustrated above), and applicable Goods & Services Taxes on interest. Example cited is for illustration purpose only.Minimum Amount Due (MAD) is assumed to be 5% in the above illustration. MAD will vary as per details communicated in the Most Important Terms & Conditions. Actual finance Charges / deferred finance charges would vary as per APR/finance charges offered to the customer.
Thus, the total interest charged (Finance Charges + Deferred Interest Charges) will be: Rs 789.69. GST charges of Rs 142.14 (18%) will be applicable. If the Card member has not paid the previous month's outstanding balance in full, all the future transactions will bear interest from the day of transaction and the complete outstanding balance will continue to accrue interest on a daily basis. Interest free period will also not be applicable in case of part payment. Service taxes will be levied at the applicable rate on the interest amount.

Important: Paying only the Minimum Amount Due every month would result in the repayment stretching over a long period with consequential compounded interest payment on your outstanding balance.

Note : 1. Goods & Service Tax as notified by GOI is applicable on all fees, interests and other charges and is subject to change as per Government of India guidelines.
The Merchant Category codes are defined by the network (Visa, Mastercard, RuPay).
